HIGH SCHOOL PLAYER VIDEOS

- All high school players from the 15U-18U age groups will have a recruiting video made for them. Rapsodo will also be used for players needing data on either the hitting or pitching side.
- The Velocity staff will send out scouting reports to college coaches in the country at all levels with detailed information on each player. Rapsodo Data and Videos will be included.
- This will provide a great value to all players when it comes to recruiting. Player recruiting videos are becoming increasingly important for player exposure.

MISSION AND RECRUITING

- Our mission is to develop and give our players the opportunity to play baseball collegiately. We do this by offering some of the best softball training programs in the Midwest paired with our coaching staff to ensure our goal of fundamental development.

RECRUITING

- The recruiting cycle can be a very stressful time for players and we are going to do everything we can to make this process as easy and stress free as possible. We are going to have personal communication with each player talking them through the process and helping them reach out to college coaches.
- Some of the things we offer will consist of a sit-down meeting with the athlete, and the parents, to determine where help is needed. This customization will allow the athlete to have an active voice in planning of which schools to target. Criteria areas that are looked at in schools for the athlete are college course work, student life, fit for athletic ability and coaching staff. Some of the services available are listed below. Recommendations on camps and showcases will also be provided.
 - Recruitment Videos
 - Sample letters and guidelines to help you get started
 - Calls to Coaches on your behalf (Where your talent level matches)

- Q & A Sessions to help take the stress out of the recruitment process

Overall the athletes need to have the right fit and we are going to work tirelessly with the athlete and parents to find the right place for them to attend college. We are going to take pride in making this process as smooth as possible and allowing our athlete's hard work take them to the next level.

FAQ

Why only 5/6 tournaments?

We believe the flex schedule is best because getting recruited to play college softball isn't all about playing in as many tournaments as you can. Sometimes too much exposure is bad exposure. We believe having a flexible schedule allows players to attend college exposure camps, exposure events, and play for their high school teams on those open weekends.

Is training included in the cost of the teams?

Yes, the training includes a 2 hour a week explosive hitting class and a 2 hour a week Arm Care/Throwing/Pitching class depending on your position. This is for 14u-18u only. Due to the training classes being strenuous 12u and 13u teams will have Instructional team practice two times a week Dec-Mid April instead. (Includes Hitting, Pitching, Defense, Throwing, Mental game, and learning the game of softball)

What are some of the tournament locations involved with the Travel Ball teams?

12-13u – Wisconsin, Illinois, Iowa, Minnesota (Usually More Local)

14u-18u – Wisconsin, Illinois, Minnesota, Indiana

What will be the Student to instructor ratio?

Team training will be 6-1 ratio player to instructor. Private lessons are no more than a 4 to 1 ratio.

When will team, practices take place?

Team defensive practices will be on Saturday afternoons, and Sunday mornings typically. This is to provide flexibility for families and players playing other sports. This may change for the 2022-2023 Season.

When will the Arm Care/Throwing, and Explosive hitting workouts be offered?

Arm Care/Throwing, and Explosive hitting workouts will be offered on Tuesday, Thursday, Friday, Saturday mornings and Sunday nights. This will offer flexibility for students playing winter sports. If you are unable to attend one day, the flexibility allows you to attend a different day.

Do I need to play on your travel team to train at Velocity?

No, we believe in helping everyone achieve their dreams and goals.
